VERONICA BERGSTRÖM

ABOUT

"Veronica has shown many valuable traits as a developer. She is **curious**, **thorough**, and has **great problem-solving skills**. She also impressed me with her ability to **work independently**, far more than I initially expected. Socially, she has been **a joy to work with**, happy, social, and communicative, which has greatly contributed to a positive and collaborative work environment."

/Amanda Olsson Front End Developer and mentor, Oneflow AB
